

PROPOSITION 63 WILL KEEP US SAFER BY REDUCING GUN VIOLENCE

Police in Dallas doing their job.... A nightclub in Orlando.... An office holiday party in San Bernardino....

A church in Charleston.... A movie theater in Aurora.... An elementary school in Newtown....

What's next? How many more people need to die from gun violence before we take bold action to save lives?

More than 300 Americans are shot each day, more than 80 of them fatally.

More than 1 million Americans were killed or seriously injured by guns from 2004-2014.

ENOUGH!

It's time to take action to keep guns and ammo out of the wrong hands.

Proposition 63 - the Safety for All Act - will save lives by closing loopholes to prevent dangerous criminals, domestic abusers, and the dangerously mentally ill from obtaining and using deadly weapons.

PROPOSITION 63 WILL:

- Remove illegal guns from our communities by ensuring that dangerous criminals and domestic abusers sell or transfer their firearms after they're convicted.
- Require any business that sells ammunition to report if their ammunition is lost or stolen.
- Require people to notify law enforcement if their guns are lost or stolen, before the weapons end up in the wrong hands.

- Ensure people convicted of gun theft are ineligible to own guns.
- Strengthen our background check systems and ensure that California law enforcement shares data about dangerous people with the FBI.

Proposition 63 keeps guns and ammo out of the wrong hands, while protecting the rights of law-abiding Californians to own guns for self-defense, hunting, and recreation.

Right now, thousands of dangerous felons remain illegally armed because we don't ensure that people convicted of violent crimes actually relinquish their guns after conviction. The Department of Justice identified more than 17,000 felons and other dangerous people with more than 34,000 guns, including more than 1,400 assault weapons.

Passing Proposition 63 will represent a historic and unprecedented step forward for gun safety.
